Renewed Petition under 37 CFR 1. 137(a)

ATTENTION: Andrea Smith,

Dear Andrea,

"I hereby request an as-of-right extension to the most recent report under 37 CFR 1. 137(a)" I have been terminally ill since 2003 became increasingly worse in 2005 requiring Splenectomy surgery January 27th 2005 at Mc Master Hospital Hospital in Hamilton Ontario, (6.5 lbs tumour removed including Spleen, Pancreas, some small Intestine) many complications along the way to recovery. I went through very stressful, difficult times of suffering, confusion and depression. I was treated for my Symptoms during that time period. I had Surgery again in June 2006 for Prostate Cancer, many complications along the way to recovery as well.

My finances were depleted; and because of my failing health and frame of mind at the time I was not able to fully comprehend the severity of not attending to this matter expeditiously. Please keep in mind as well; that I hired the services of a Lawyer (Anthony Asquith) on April 7th 2006, his advised was: "I should not maintain my Canadian application and that I should leave everything to him where my US application was concerned. I terminated his services September 16th 2008, I felt that I was under-represented. I did not want to disclose my psychological conditions but I feel they will provide the help necessary for this case.

The difficulty I'm having is: My application #10/633,359 was abandon in Feb. 16th 2006, yet my agent was assigned US application #0606923.1 April 6th 2006, and again April 6 2007, for the same invention. How so? Since I have previously submitted: Petition documents to make special based on age for advancement of examination under 37 CFR 1.102(c)(1) also petition for revival of an application for patent abandoned unintentionally under 37 CFR 1. 137(b). Hope I have met the burden placed upon me, and you can now expedite the application to grant. Enclosed please find medical records.
